MINACK
THEATRE

15 JULY AT 4PM AND 8PM

THE MINACK ACADEMIES

The Minack Academies help young people to develop advanced theatre skills. Specialising either in Acting or Musical Theatre, students spend one day a month working with professional practitioners and learning about careers in the industry.

The Musical Theatre Academy

The Musical Theatre Academy members delve into all aspects of musical theatre required to become a 'triple threat' - developing their skills in acting, singing and dancing and learning about the world of professional musical theatre.

The Acting Academy

The Acting Academy offers intensive theatre experiences to young people with aspirations for a career in the theatre. Students work on performing for both stage and screen and learn about all aspects of the industry, through working with a wide range of professionals across the year.

We are proud that our most senior members this year are leaving us to pursue further professional training

Alex Long - BSC Bio Medical Science, Cardiff University

Erin Collins - Musical Theatre and Performance, Italia Conti

Joe Millington- Musical Theatre, Guildford School of Acting

Lauren Ridehalgh - BA Hons Classical Studies and Drama, Royal Holloway, University of London

Plum Butler - BA Hons Musical Theatre (Cabaret), University of Chichester

Robyn Dilnot - Acting for Stage, Screen and Media, Performers' College

We wish them all the best of luck for their future careers.

Auditions for the Minack Academies are held in September.
